Registration @ 8 am
Shotgun Tee Off @ 9:00 am
Registration Deadline Sept 9

Castle Air Museum is a non-profit 501(c)(3) educational museum whose mission is to acquire, restore, maintain, and display historically significant vintage aircraft. The Museum preserves the histories of these aircraft in order to increase public understanding and appreciation of the history of military aviation and the wonder of flight. We honor the contributions and sacrifices of not only the pilots and crews who flew and maintained these aircraft, but all veterans who served our country. We would appreciate a generous donation to help us raise \$50,000 in support of our mission. In past years, we have had a great variety of sponsors and supporters and receives no government support. All donations are tax deductible, and we would like to add your name as a generous sponsor for this event. Please help us maintain our collection and fulfill our mission, "to preserve military aviation heritage for future generations."
